

A Contemporary Tree House Perched Above Lake Union

2110 8th Ave N

Clean and classic contemporary! Tree house-like setting captures huge easterly views overlooking Lake Union and the mountains beyond from all four levels. 2 master suites, lower level living and dining rooms, 2nd kitchen and fireplace and bedrooms. Award winning, no expense spared kitchen remodel features Sub-zero, gas cooking, wine cooler, hardwoods, granite, and custom cherry cabinetry throughout. Built-In vacuum system, security system, and a green house off of the lower level complete the sense of serenity and luxury in this exceptional residence. Great neighborhood and so much more!

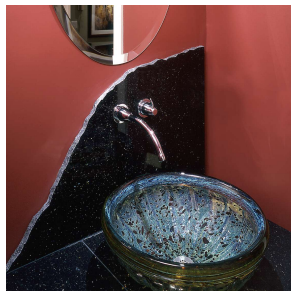

- Covered, deck-like entry hints at the home's views.
- Rich finishes throughout include hardwood floors, new carpeting, tile and stone and an extensive use of cherry.
- Gorgeous, flowing kitchen with custom, slab style cherry cabinets and built-ins, sleek black slab granite counters and top of the line appliances opens to a wonderful bar and casual family area. A perfect stage for entertaining!
- Lower level den features its own wet bar and compact kitchen opening onto a library area with fabulous built-in book cases and window seats.
- 2 fireplaces
- Rooftop deck with stunning views.
- Extensive use of custom gallery, task and ambient lighting throughout, highlighted by designer fixtures.
- Huge jetted soaking tub
